On behalf of our 2017 Board of Directors and our staff we would be honored to have you join our Emeritus Board for PCRF. For the past five years it has been my privilege to work as the Executive Director of the Pediatric Cancer Research Foundation (PCRF). The enormous passion for the mission of PCRF by the Board of Directors and volunteers of this organization is demonstrated each day by their dedicated hours of volunteerism. Without which we could not keep our percentage of overhead so low, thus allowing over 80% of funds raised to go directly to research.
